"Recommended Retail Prices & Annual Road Tax are calculated using the base model WLTP values and are subject to change as a result of your vehicle configuration. Škoda Ireland reserves the right to alter pricing and specification without notice. Delivery & Related Charges Extra - please contact your local Škoda dealer for more information. Škoda Ireland has made every effort to ensure the accuracy of information but does not accept liability for any errors or omissions. The specified fuel consumption and emission values were presented, are the official figures unless stated otherwise and are obtained in accordance with Worldwide Harmonized Light Vehicle Test Procedure (WLTP) and are correct at the time of publication. WLTP values reflect the worldwide standard vehicle range excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (l/100km) and CO₂ emissions produced. Please note WLTP values for vehicle range and consumption may not be realised in real or day to day driving conditions"

SKODA

Epiq Selection 40/55: Key equipment

SAFETY

Side Assist – blind spot monitoring system

Lane Assist

Driver monitoring system

One pedal driving technology

Interior anti-theft alarm

Mobile digital key incl. 2x physical keys

iSOFIX child seat anchor points (1x front, 2x rear)

Tyre pressure monitoring system

Front side airbags with curtain airbag

Front driver and passenger airbags

Automatic high beam control

Front assist: Forward collision warning incl. emergency brake & pedestrian recognition

FUNCTIONAL

Climatronic 2-zone air conditioning

Kessy Full – keyless entry/go system

Rear parking sensors

Front parking sensors

Rear view camera

Adaptive cruise control

Drive mode select

Heated rear window

Electric windows front & rear

Automatic rain & light sensors

Auto-dimming rear view mirror

Electrically folding heated exterior mirrors

Vehicle to home capability (V2H)

Vehicle to load (V2L) readiness (adaptor required)

Wireless charging pad (subject to device compatibility)

Infotainment pack:

- 13" touchscreen display
- Bluetooth
- Smartlink (Apple Carplay / Android Auto)
- 1x USB-C port & 7 speakers
- Infotainment Online & Remote Access (10 years subscription)

INTERIOR

'Loft Grey' design selection interior

Heated front seats

Front centre armrest

Front & rear floor mats

Split folding rear seats incl. rear centre armrest

Luggage compartment lighting

Fabric lined false floor compartment in boot

Techtona leatherette heated steering wheel (2-spoke)

Interior lighting pack:

- Ambient lighting
- 'Welcome' style logo projection within door

EXTERIOR

18" 'Saola' aero alloy wheels

LED headlights

LED tail lights

'SUNSET' dark tinted privacy glass

Black roof rails

Body coloured rear spoiler

SKODA

Epiq: Wheels

18" 'Saola' alloy wheels
(Code U42)

18" 'Plover' alloy wheels
(Code PJ1)

19" 'Lark' alloy wheels
(Code PJ3)

CODE	DESCRIPTION	Selection
U42	18" 'Saola' polished alloy wheels	STANDARD
PJ1	18" 'Plover' black alloy wheels	€0
PJ3	19" 'Lark' smoked alloy wheels	€690

Epiq: Exterior Colours

Marble Grey (6U6U – Solid)

Timiano Green (0B0B – Solid)

Platinum White (3L3L – Metallic)

Mystery Black (2T2T – Metallic)

Pebble Silver (F0F0 – Metallic)

Jasper Red (P8P8 – Exclusive)

DESCRIPTION	All trims
Solid: Marble Grey	€0
Solid: Timiano Green	€781
Metallic	€781
Exclusive: Jasper Red	€1,182

Battery & Charging

An electric vehicle's power is not determined solely by the power of the electric motor itself, but also by the power that the battery is able to deliver. As such, the value cited for the car's power is determined by the entire drive system.

Battery (Gross)	DC charging power	System output
55 kWh	105 kW	155 kW

Electric vehicles can be charged at public charging stations much like you would refuel a normal car at a petrol station. These charging stations are powerful so they can recharge vehicles' batteries rapidly. Most users, however, will generally use a home charger – a Wallbox – or an ordinary power socket. This charging takes longer, but hooking up to the grid is an automatic process and you can charge the batteries overnight, or at any time you are not using the car, without having to be present.

Source	Charging	55	Cable
Home socket	Charging power Charging time (0-100%)	Max 2.3 kW >24 hours	Mode 2
Wallbox	Charging power Charging time (0-100%)	Max 11 kW 5:30 hours	Mode 3
DC fast charger	Charging power Charging time (10-80%)	Max 105 kW 24 mins	Mode 4 – part of charging station

- All charge times are average and can vary depending on certain conditions, such as temperature and power supply available.
- Please note, the 38.5kWh battery trims have not yet been homologated and will be updated at a later time.

Škoda EV Plan: €1,250 optional addition

The new Škoda Epiq uses the latest materials and technologies that requires expert skills and knowledge when it comes to maintenance and care. For your convenience we have compiled a Škoda EV Plan to provide up to 39% savings when compared to purchasing the services and components separately. See below for what is included in the Škoda EV Plan.

Routine Inspection 1 & 2 comprises of Electronic Health Checks to ensure your vehicle is free from faults and functioning correctly.

Service Interval Maintenance High voltage component checks, Brake Fluid Change, Pollen Filter Replacement and a Coolant refill are the main tasks carried out by technicians during this service.

4 Low Rolling Resistance Tyres provide better battery range and low cabin noise levels. They are likely to be the most expensive operating cost you will experience during the lifetime of the vehicle.

Brake Pads may require replacement during the Service Interval or if the vehicle signals the driver on the infotainment display.

Wiper Blades ensure maximum visibility and safety. A set of wiper blades is included in the Tyre & Maintenance Plan.

Tyre and Maintenance Plan Summary: Replacement Tyres - As required €1,240, Mode 2 Charging Cable for backup/domestic charging (supplied at delivery) -€274, Inspection 1 & 2 - Electronic Vehicle Health Check, Functionality and Fault Assessment -€70, Routine Service Maintenance - High Voltage Component Check, Running Gear Assessment, High Voltage Battery Status, Brake Fluid Change, Pollen Filter Replacement, Top-up Cooling System Levels- €209, Brake Pad Replacement - As required-€175, Wiper Blade Replacement - As required -€96. Total value if purchased separately €2,064. As part of Škoda EV Plan €1,250 (saving of 39%). Price based on component recommended retail price and average dealer labour rates. Tyre prices are based on 21" Self Sealing Technology. Please discuss your Škoda EV Plan requirements with your local ŠKODA Dealer.

Epiq: Technical Data

	55
Battery capacity (kWh) – gross	55
Battery capacity (kWh) – net	52
Range – WLTP (km)	435
Max. Power: kW	155
Max. Torque: Nm	290
Length (mm)	4,171
Width (mm)	1,798
Height (mm)	1,581
Wheelbase (mm)	2,597
Max. Luggage Capacity (l)	475
Top Speed (km/h)	160
0 – 100 km/h (seconds)	7.1
Gross Vehicle Weight (kg)	2,080
Max. Towing Capacity – Braked (kg) at 12 %	1,200
Drivetrain	4x2
