### **Selection: Key Equipment**

#### **SAFETY**

Advanced driver alert

Hill hold control

Electrical child safety lock system

Seatbelt warning system

Electronic stability control (ESC)

iSOFIX child seat anchor points (1x co-driver & 2x outer rear)

Emergency call (e-call)

Tyre pressure monitoring system (TPMS)

7 airbags (incl. driver, co-driver, side, front, head + central airbag)

Key safety assist systems:

- Front assist
- Side assist
- Lane assist
- Turn assist
- Rear cross assist
- Emergency assist
- Intelligent speed assist
- Multi collision brake assist

#### **FUNCTIONAL**

Adaptive cruise control

'Kessy Full' – Keyless entry/go system incl. antitheft alarm & walkaway locking function

Infotainment system incl. 10.4" touchscreen display, Bluetooth & 9 speakers

Wireless Smartlink (Apple Carplay & Android Auto)

Dual wireless charging pad (subject to device compatibility)

Climatronic 3-zone air conditioning

USB-C charging points – 2x front/2x rear/1x mirror

Digital smart dials

Front & rear parking sensors

Rear view camera

Electric tailgate

Trailer hitch preparation

Front & rear electric windows

Auto-dimming rear-view mirror

10.25" digital driver dashboard display

Traffic sign recognition

Remote access (3-year subscription)

#### INTERIOR

Black/Grey 'Loft' fabric upholstery

Interior ambient lighting incl. footwell lighting

Unique Dark Chrome (UDC) decorative inserts

2-spoke leather heated multi-function heated steering wheel with tiptronic paddles

Heated front seats

Electric driver seat incl. height adjustment & lumbar support

Front & rear centre armrest incl. storage compartment

Front & rear floor mats

Luggage compartment lighting incl. storage compartments & 12-volt socket

Split folding rear seat & mechanical seat release

7 seat configuration (PHEV only available in 5 seats)

#### **EXTERIOR**

18" Soira anthracite alloy wheels

Spare wheel, tool kit & jack

Body coloured exterior mirrors

Electrically adjusted/heated exterior mirrors

LED headlights & LED daytime running lights

LED taillights

All weather lights

Black roof rails & window surrounds

## **Selection +: Key Equipment**

Effortlessly combining technology with practicality, the Selection + is equipped with many of the most popular features the Kodiaq has to offer. Key equipment includes (in addition to Selection spec):

Leather Suite upholstery (Black or Cognac)

19" Halti alloy wheels

Matrix LED headlights incl. variable light distribution

LED taillights with dynamic indicators

Illuminated front grill incl. dark chrome front grille inserts

Dynamic welcome/leaving effect animation

'SUNSET' dark tinted privacy glass

Anodized chrome roof rails

Scuff plates in door sill

## **Sportline: Key Equipment**

With sharp, sleek details both inside and out, the Sportline is distinctive from every angle. Packed with exclusive styling, the Sportline will ensure you can indulge your thirst for adventure in total comfort. Key equipment includes (in addition to Selection spec):

19" 'Tirsuli Anthracite' alloy wheels (Not standard on 4x4, see next page)

Matrix LED headlights incl. variable light distribution

LED tail lights with dynamic indicators

Illuminated front grill

Panoramic sunroof

3-spoke sport multifunction leather heated steering wheel with tiptronic paddles

Power folding exterior mirrors – driver incl. auto-dimming, memory function & blind spot illumination

Sportline exterior styling pack:

- Front & rear sports bumpers
- Black gloss exterior mirrors
- Black gloss front grille surround
- Black gloss roof rails
- Black gloss rear D-pillar

Sportline interior styling pack:

- Black Suedia & leatherette upholstery
- Front sports seats
- Dark interior headliner
- Aluminium door sills & sports pedals

## **Kodiaq: Wheels**

18" Soira anthracite alloy wheels (Code 45N)

19" Halti anthracite alloy wheels (Code 53Q)

19" Rapeto silver alloy wheels (Code PJ2)

19" 'Tirsuli' anthracite alloy wheels (Code 53R)

20" 'Rila' aero alloy wheels (Code PJ6)

Battery size (kWh)				19.7

### **Battery & Charging**

The new Kodiaq iV is well suited not only for home charging, but also for charging at public chargers. Plus, the battery is continuously charged by regenerative braking because it processes the kinetic energy generated when braking. Fitted with a 25kWh Lithium-ion battery which provides a WLTP range of over 100km.

#### Charging times (approximate data):

Source	Charging power	SoC	Charging time
DC	40 kW*	10-80%	25 min.
AC	11 kW** 2.3 kW***	0–100% 0–100%	2 h 30 min. 11 h 15 min.

<sup>\*\*</sup> Typically, a public charger or home wallbox with three-phase 16 A.

Mode 3 From charging from a wallbox

standard

Wallbox cable (Type 2)

The cable is part of the AC charging station

arging

Mode 4 (CCS2 connector)

The cable is part of the DC charging station

SKODA

<sup>\*\*\*</sup> Typically charging from a household socket with one-phase 10 A.

### **HVO (Hydrotreated Vegtable Oil)**

## Fuel your new diesel Škoda with HVO and reduce emissions by up to 90%

#### What is HVO?

HVO is a fuel replacement or alternative for compatible diesel engines. HVO offers a cleaner way to fuel by providing up to 90% reduced CO2 emissions. Unlike first generation biofuels, which are made from crops such as rapeseed and soy, Hydrotreated Vegetable Oil (HVO) is a second-generation biofuel made from pre-existing bio-waste products, primarily used cooking and vegetable oil from food industry waste. Manufactured from renewable and sustainable waste, HVO is a paraffinic drop-in fuel designed as a direct replacement for diesel. It meets the international fuel standard EN 15940. HVO can provide full lifecycle greenhouse gas (GHG) emission savings of up to 90% when compared to conventional diesel fuel.

#### What are the benefits?

**Sustainability** – Made from sustainable and renewable raw materials, HVO reduces carbon emissions by as much as 90%. This enables households and businesses to make an immediate reduction in carbon emissions and reduce their environmental impact.

Improved Air Quality due to a reduction in particle and nitrogen oxide (Nox) emissions compared to diesel

**Performance** – Your vehicles performance will be indistinguishable from diesel with the fuel performing better under certain circumstances such as cold winter conditions

**Direct Drop-In** – No modifications are required to new Škoda's in order to use HVO. HVO and diesel fuel can be interchanged and mixed in any ratio or concentration.

**Price** – currently many fuel suppliers in Ireland are providing HVO at a comparable or equivalent price to diesel. So there is no additional cost to switching

#### Where can I get HVO for my Škoda?

HVO is already available at selected Certa and Circle-K outlets in Dublin, Tipperary, Carlow, Cork and Donegal with availability improving all the time.

#### How do I know if my Škoda is compatible with HVO?

Only Škoda vehicles from "Model Year 2022" (not registration in 2022) are compatible with HVO. You can identify if your Škoda is HVO compatible by the lettering "XTL" detailed inside the fuel filler flap. If you are unsure of your vehicles model year please contact your Škoda Dealer. Biodiesel or vegetable oil should not be used in Škoda vehicles and these products should not be confused with HVO. Only HVO that meets standard EN 15940 should be used in Škoda vehicles.

#### **Kodiaq: Safety Assist Systems**

The Kodiaq New Generation has been designed with safety at the forefront and has therefore been fitted as standard with industry leading safety systems, providing the utmost peace of mind for both drivers and passengers. Key safety system includes:
