SIMPLY CLEVER

# THE NEW FABIA. BALANCED MIX OF ELEGANCE AND PRACTICALITY.

With the arrival of its fourth generation, the ŠKODA FABIA has grown in every way and now offers customers more interior space and a much larger boot. No longer primarily a city car or a second car, the all-new FABIA can also play the role of a family's main car.

A woman in a blue shirt and plaid skirt walks on a city sidewalk. In the background, there is a large stone bridge with arches. A dog is running in the foreground on a grassy area.
