"Recommended Retail Prices & Annual Road Tax are calculated using the base model WLTP values and are subject to change as a result of your vehicle configuration. Škoda Ireland reserves the right to alter pricing and specification without notice. Delivery & Related Charges Extra - please contact your local Škoda dealer for more information. Škoda Ireland has made every effort to ensure the accuracy of information but does not accept liability for any errors or omissions. The specified fuel consumption and emission values were presented, are the official figures unless stated otherwise and are obtained in accordance with Worldwide Harmonized Light Vehicle Test Procedure (WLTP) and are correct at the time of publication. WLTP values reflect the worldwide standard vehicle range excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (l/100km) and CO_2 emissions produced. Please note WLTP values for vehicle range and consumption may not be realised in real or day to day driving conditions"

ŠKODA

Epiq Choice 35: Key equipment

SAFETY
Side Assist – blind spot monitoring system
Lane Assist
Driver monitoring system
One pedal driving technology
2x Physical keys
iSOFIX child seat anchor points
Tyre pressure monitoring system
Front side airbags with curtain airbag
Front driver and passenger airbags
Automatic high beam control
Front assist: Forward collision warning incl. emergency brake & pedestrian recognition

FUNCTIONAL
Climatronic 1-zone air conditioning
Kessy Go – keyless start system
Rear parking sensors
Adaptive cruise control
Heated rear window
Electric windows front & rear
Automatic rain & light sensors
Manual-dimming rear view mirror
Electrically folding heated exterior mirrors
Infotainment pack: ▪ 13” touchscreen display ▪ Bluetooth ▪ Smartlink (Apple Carplay / Android Auto) ▪ 1x USB-C port & 5 speakers ▪ Infotainment Online & Remote Access (10 years subscription)

INTERIOR
‘Studio’ design selection interior
Techtona leatherette steering wheel (2-spoke)
Front centre armrest
Split folding rear seats incl. rear centre armrest
False floor storage compartment in boot
Luggage Compartment Lighting

EXTERIOR
17” ‘Guan’ aero cover steel wheels
LED headlights
LED tail lights
Black roof rails
Black rear spoiler

SKODA

Epiq Essence 40: Key equipment

SAFETY
Side Assist – blind spot monitoring system
Lane Assist
Driver monitoring system
One pedal driving technology
Interior anti-theft alarm
Mobile digital key* incl. 2x physical keys
iSOFIX child seat anchor points (1x front, 2x rear)
Tyre pressure monitoring system
Front side airbags with curtain airbag
Front driver and passenger airbags
Automatic high beam control
Front assist: Forward collision warning incl. emergency brake & pedestrian recognition

*Please note that mobile digital key will not be activated until a later date, a further MySkoda update will be sent once available.

FUNCTIONAL
Climatronic 1-zone air conditioning
Kessy Full – keyless entry/go system
Rear parking sensors
Front parking sensors
Rear view camera
Adaptive cruise control
Heated rear window
Electric windows front & rear
Automatic rain & light sensors
Manual-dimming rear view mirror
Electrically folding heated exterior mirrors
Vehicle to home capability (V2H)
Vehicle to load (V2L) readiness (adaptor required)
Wireless charging pad (subject to device compatibility)
Infotainment pack: ▪ 13” touchscreen display ▪ Bluetooth ▪ Smartlink (Apple Carplay / Android Auto) ▪ 1x USB-C port & 5 speakers ▪ Infotainment Online & Remote Access (10 years subscription)

INTERIOR
‘Studio’ design selection interior
Techtona leatherette steering wheel (2-spoke)
Front centre armrest
Split folding rear seats incl. rear centre armrest
False floor storage compartment in boot
Luggage Compartment Lighting

EXTERIOR
17” ‘Guan’ aero cover steel wheels
LED headlights
LED tail lights
Black roof rails
Black rear spoiler

SKODA

Epiq Selection 40/55: Key equipment

SAFETY
Side Assist – blind spot monitoring system
Lane Assist
Driver monitoring system
One pedal driving technology
Interior anti-theft alarm
Mobile digital key* incl. 2x physical keys
iSOFIX child seat anchor points (1x front, 2x rear)
Tyre pressure monitoring system
Front side airbags with curtain airbag
Front driver and passenger airbags
Automatic high beam control
Front assist: Forward collision warning incl. emergency brake & pedestrian recognition

*Please note that mobile digital key will not be activated until a later date, a further MySkoda update will be sent once available.

FUNCTIONAL
Climatronic 2-zone air conditioning
Kessy Full – keyless entry/go system
Rear parking sensors
Front parking sensors
Rear view camera
Adaptive cruise control
Drive mode select
Heated rear window
Electric windows front & rear
Automatic rain & light sensors
Auto-dimming rear view mirror
Electrically folding heated exterior mirrors
Vehicle to home capability (V2H)
Vehicle to load (V2L) readiness (adaptor required)
Wireless charging pad (subject to device compatibility)
Infotainment pack: ▪ 13” touchscreen display ▪ Bluetooth ▪ Smartlink (Apple Carplay / Android Auto) ▪ 1x USB-C port & 7 speakers ▪ Infotainment Online & Remote Access (10 years subscription)

INTERIOR
‘Loft Grey’ design selection interior
Heated front seats
Front centre armrest
Front & rear floor mats
Split folding rear seats incl. rear centre armrest
Luggage compartment lighting
Fabric lined false floor compartment in boot
Techtona leatherette heated steering wheel (2-spoke)
Interior lighting pack: ▪ Ambient lighting ▪ ‘Welcome’ style logo projection within door

EXTERIOR
18” ‘Saola’ aero alloy wheels
LED headlights
LED tail lights
‘SUNSET’ dark tinted privacy glass
Black roof rails
Body coloured rear spoiler

SKODA

Epiq First Edition 55: Key equipment – Stock only

SAFETY

DESCRIPTION	All Trims
Solid: Marble Grey	€0
Solid: Timiano Green	€781
Metallic	€781
Exclusive: Jasper Red	€1,182

Battery & Charging

An electric vehicle's power is not determined solely by the power of the electric motor itself, but also by the power that the battery is able to deliver. As such, the value cited for the car's power is determined by the entire drive system.

Battery (Gross)	DC charging power	System output
35 battery trims - 38.5 kWh	45 kW	85 kW
40 battery trims - 38.5 kWh	88 kW	99 kW
55 battery trims - 55 kWh	105 kW	155 kW

Electric vehicles can be charged at public charging stations much like you would refuel a normal car at a petrol station. These charging stations are powerful so they can recharge vehicles' batteries rapidly. Most users, however, will generally use a home charger – a Wallbox – or an ordinary power socket. This charging takes longer, but hooking up to the grid is an automatic process and you can charge the batteries overnight, or at any time you are not using the car, without having to be present.

Source	Charging	35	40	55	Cable
Wallbox	Charging power Charging time (0-100%)	Max 11 kW 4 hours	Max 11 kW 4 hours	Max 11 kW 5:30 hours	Mode 3
DC fast charger	Charging power Charging time (10-80%)	Max 45 kW 23 mins	Max 88 kW 23 mins	Max 105 kW 24 mins	Mode 4 – part of charging station

- All charge times are average and can vary depending on certain conditions, such as temperature and power supply available.
- Please note, the 38.5kWh Choice trim has not yet been homologated and will be updated at a later time.

Škoda EV Plan: €1,250 optional addition

The new Škoda Epiq uses the latest materials and technologies that requires expert skills and knowledge when it comes to maintenance and care. For your convenience we have compiled a Škoda EV Plan to provide up to 39% savings when compared to purchasing the services and components separately. See below for what is included in the Škoda EV Plan.

Routine Inspection 1 & 2 comprises of Electronic Health Checks to ensure your vehicle is free from faults and functioning correctly.

Service Interval Maintenance
High voltage component checks, Brake Fluid Change, Pollen Filter Replacement and a Coolant refill are the main tasks carried out by technicians during this service.

4 Low Rolling Resistance Tyres provide better battery range and low cabin noise levels. They are likely to be the most expensive operating cost you will experience during the lifetime of the vehicle.

Brake Pads may require replacement during the Service Interval or if the vehicle signals the driver on the infotainment display.

Wiper Blades ensure maximum visibility and safety. A set of wiper blades is included in the Tyre & Maintenance Plan.

Tyre and Maintenance Plan Summary: Replacement Tyres - As required €1,240, Mode 2 Charging Cable for backup/domestic charging (supplied at delivery) -€274, Inspection 1 & 2 - Electronic Vehicle Health Check, Functionality and Fault Assessment -€70, Routine Service Maintenance - High Voltage Component Check, Running Gear Assessment, High Voltage Battery Status, Brake Fluid Change, Pollen Filter Replacement, Top-up Cooling System Levels- €209, Brake Pad Replacement - As required-€175, Wiper Blade Replacement - As required -€96. Total value if purchased separately €2,064. As part of Škoda EV Plan €1,250 (saving of 39%). Price based on component recommended retail price and average dealer labour rates. Tyre prices are based on 21" Self Sealing Technology. Please discuss your Škoda EV Plan requirements with your local ŠKODA Dealer.
